ST. FRANCIS CONVENT SECONDARY SCHOOL

PROPOSED NEW SCHOOL BUILDING
AT BUKIT PADANG, KOTA KINABALU

“Realizing our dream through your generosity”

■ INTRODUCTION

St. Francis Convent School, North Borneo's (now Sabah) first school for girls, was built in 1922, catering for less than 100 girls. The continuous success of the school necessitated the construction of the St. Francis Convent Secondary School (SFCSS) in Jalan Kebajikan in 1959. Currently, about 850 girls are enrolled in the school.

■ THE NEW SITE

The new site is located behind St. Francis Convent Primary School in Bukit Padang. The revised development plan was approved in June 2014 and the new building plans were approved in August 2014.

The proposed school has two 4-storey blocks with a central atrium.

- One block of 22 classrooms and living skills workshops;
- One block of science laboratories, administrative offices, staffroom, library and special rooms.

■ CONSTRUCTION COSTS

Overall construction cost including infrastructure works is estimated at RM12 million. The building works contractor has already been appointed and construction works have commenced on site. The target year of completion is 2018.

■ TAX EXEMPTION

The Lembaga Hasil Dalam Negeri (LHDN) has approved this school project as eligible for income tax exemption and as such official tax exemption receipts for donations received from 15th March 2015 to 14th March 2018 will be issued under the reference no. LHDN.01/35/42/51/179-6.5801.

■ FUND RAISING

Much needed funds will be raised by way of donations and sponsorship.

ROOM NAMING RIGHTS

CATEGORY	MINIMUM SPONSORSHIP
Classroom	RM50,000.00
Workshop/Special Room	RM80,000.00
Science Laboratory	RM88,000.00

WALL OF RECOGNITION

All contributions are greatly appreciated. However for administrative reasons, only contributions of RM3,000.00 and above, will be acknowledged on the wall of recognition.
